

THE FEE-RECOVERY & CHILD-SAFETY PLATFORM FOR SCHOOLS

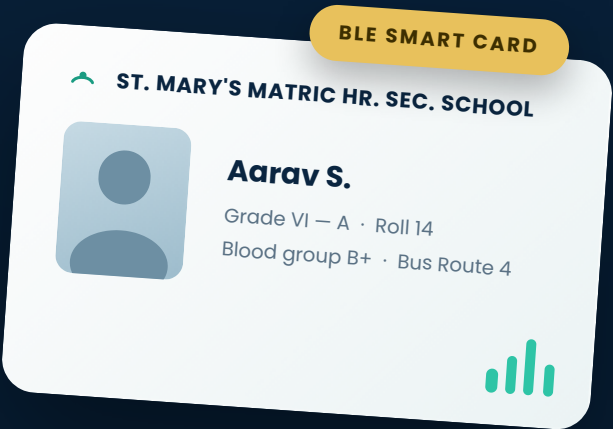

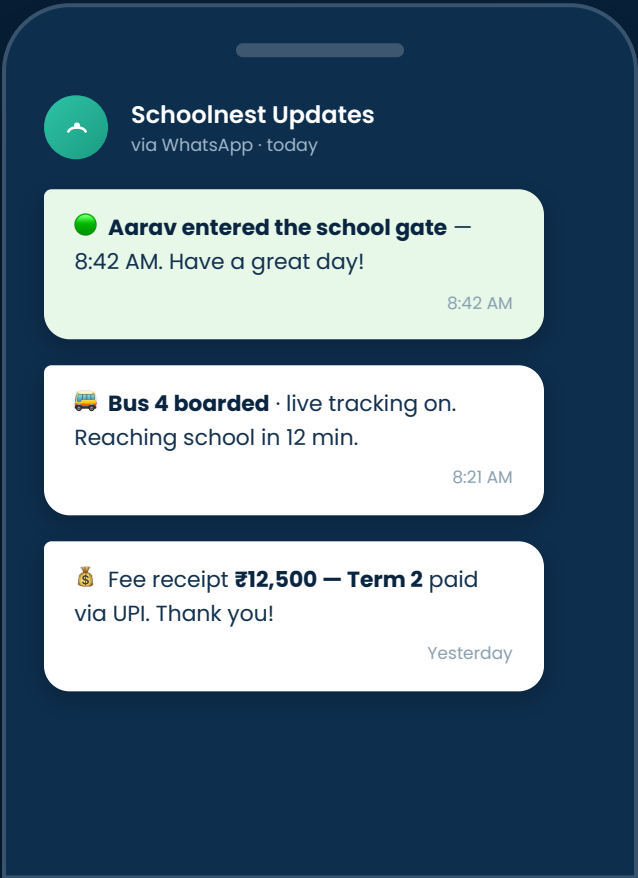

Every rupee on time. Every child safe. Every parent informed.

Schoolnest is the school platform that **pays for itself** — AI that recovers pending fees automatically, BLE smart ID cards that tell parents their child is safe, and WhatsApp updates that make your school the one everyone talks about.

AI Fee Recovery

BLE Smart ID Cards

WhatsApp AI Assistant

Stop losing money you've already earned.

Most schools lose **3–8% of annual fees** to late payments, missed follow-ups and manual registers — and lose admissions to enquiries nobody called back. Schoolnest turns both into automated systems.

AI Fee-Recovery Engine

FLAGSHIP

- ✓ **Predicts who will pay late** from payment history — before the due date passes.
- ✓ **Auto-sequenced reminders** — polite WhatsApp first, call script next, principal escalation last.
- ✓ **Suggests instalment plans** for struggling families — recover fees without hard conversations.
- ✓ **UPI, card, net-banking & counter** with instant receipts and one-click daily reconciliation.

₹6,25,000

WHAT 5% LEAKAGE COSTS / YEAR

A 500-student school at ₹25,000 average annual fees loses **₹6.25 lakh a year** to just 5% uncollected dues. Schoolnest costs a fraction of that — **the fee module alone repays your investment many times over.**

WhatsApp AI Assistant

Parents ask in **Tamil or English** — and get instant answers, day or night. No app to download, no front-office calls.

என் மகனின் நிலுவை கட்டணம் எவ்வளவு?

Pending fees for **Aarav S. (VI-A)**:
₹8,500 — due 15 Jul. Pay now via UPI:
pay.schoolnest.in/aarav ✓

Was he present today?

Yes — in school since **8:42 AM.** ●

Admissions Copilot

Every enquiry — walk-in, phone or WhatsApp — is **captured, followed up automatically and tracked to admission.** The principal sees exactly which leads are going cold, and why.

- ✓ Auto follow-up messages so **no enquiry is forgotten**
- ✓ Online admission forms & document collection
- ✓ Enquiry-to-admission funnel on the **management dashboard**

Most schools don't lose admissions to competitors — they lose them to **sloppy follow-up.**

The moment they walk in, parents know.

Every student wears a BLE smart ID card. Gateways at the gate and on the bus detect it automatically — **no tapping, no queues, nothing for the child to remember.**

8:21 AM

Boards the bus

Card detected on entry. Parent notified instantly — with **live GPS tracking** of the route.

8:42 AM

Enters the school gate

WhatsApp reaches the parent **within seconds**: “Aarav entered the school gate — 8:42 AM.” Attendance is already marked.

9:15 AM — SAFETY NET

Didn't arrive? Everyone knows.

If a child hasn't reached school by the cut-off, the parent **and** the front office are alerted automatically — before anyone has to ask.

4:05 PM

Home safe

Gate exit and bus drop-off confirmed to the parent. **Four moments of peace of mind, every single day.**

Staff wear it too

The same cards auto-mark **teaching & non-teaching staff attendance** — working hours flow straight into timings and payroll. One infrastructure, zero extra hardware.

Safe School Certified

Display the **Safe School badge** at your gate and in admission brochures. When parents compare schools, visible safety wins admissions.

Better than RFID

BLE works **hands-free at a distance** — no tap queues at the gate, no forgotten punches, and lost-card alerts built in.

< 3 sec

gate entry to
parent's WhatsApp

0 taps

hands-free detection
— no queues

4 check-ins

bus · gate · exit ·
drop-off, every day

1 card

safety + attendance
+ staff payroll

THE COMPLETE SUITE — EVERY MODULE INCLUDED

One platform for every department.

Catalogue, issue/return · stock & assets

Dashboard & Security

Live analytics, multi-branch, encrypted backups

SWITCHING IS OUR JOB — NOT YOURS

Free 7-day migration

We move your legacy data — students, fees, dues, staff — **done for you**, in one week. Zero disruption mid-term.

On-campus training

Hands-on training for your office staff and teachers, at your school — until **everyone is confident**.

Support that answers

Built & supported in Tamil Nadu. A real person on call — **in your language, in your timezone**.

See your school on Schoolnest — free demo, this week.

Bring last term's fee register. We'll show you exactly how much you could have recovered — live, with your own numbers.
